Re: United States v. Yefrel Brito, 19 Cr. 625 (JMF) – Request for Adjournment of Sentencing

Dear Judge Furman:

Elizabeth Macedonio, Louis Freeman and I represent Mr. Yefrel Brito in the above referenced matter. I write respectfully to request a 90-day adjournment of Mr. Brito's sentencing, scheduled for July 21, 2022, at 3:15p.m. The government takes no position with respect to this request. As a result of defense counsels' trial schedules, a 90-day adjournment would provide counsels with adequate time to prepare a full sentencing submission on Mr. Brito's behalf.

Accordingly, I request a 90-day adjournment of sentencing in this matter.

Sincerely,

Karloff C. Commissiong, Esq.
